

Ready to Serve and Save our Fellow “Foxes”

Can They Count on You? COVID-19 Prevention Support to CWA

Dear Fellow Foxes,

Crises come in many forms in Liberia. Right now, the crisis at hand is the increased spread of COVID-19 cases across the country. The ongoing spread of COVID-19 continues to put everyone in the City of Monrovia, including students, faculty, and staff at the College of West Africa (CWA) at significant risk of contracting the virus. This is creating an even greater sense of urgency for direct COVID-19 Prevention support to Rev. Paye Cooper Mondolo, President of our beloved alma mater CWA, and his team of administrators. This support is needed to immediately implement the preventative [COVID-19 Health Protocols Toolkit](#) designed to help make the school safer. This support includes:

- Daily temperature checks of everyone entering the school
- Mandatory wearing of face masks
- Strict adherence to social distancing guidelines
- Washing of hands and use of hand sanitizers

So, how can we as Alumni help? To effectively achieve the implementation of the COVID-19 Protocols, Rev. Mondolo needs financial contributions to purchase supplies locally. There isn't the luxury of time to purchase these in the diaspora to package and ship. Therefore, acquiring the supplies locally for immediate availability to the staff and students is the best course of action. Supplies needed include:

- Handheld digital thermometers;
- Hand sanitizer;
- Soap; Masks; Water

If you can assist, please contact Rev. Mondolo directly at Paymondolo@gmail.com, via phone or text messaging, at 231-7777-08492, or on **WhatsApp** at 231 886 535306 for guidance on how to make your contribution.

For donations greater than \$60.00, please send an email to cwaausa@gmail.com to make us aware. We will give you a complimentary CWA-AA USA membership for the period June 2021 – May 2022 in recognition of your contribution.

NOTE: If you prefer that your donation be tax deductible, please email us at cwaausa@gmail.com and we will provide you a link to use to make your donation via the Association for delivery. A receipt will be provided to you as well. CWA-AA, USA is a registered 501 c3 organization.

Thank you for being Ready to Serve and Save our Fellow Foxes.

For more information on how COVID-19 is impacting CWA and how our CWA-AA USA continues to support COVID-19 prevention at our beloved CWA please read this [Important Announcement](#). Thank you!
