A SPECIAL HOLIDAY MESSAGE FROM THE CHAIR, CWA-AA, USA INC.

Fellow Fox,

One year ago, we set out to raise awareness and participation from all generations of CWA Alumni, with one purpose in mind – revitalize CWA-AA, USA. After hosting four mini-events (and one more within a week), we are now preparing to host a national reunion in the Spring of 2019.

Alex Wonasue

Over the last 12 months, we grossed over \$11,000 from events and donations. As good as this may be, we could do much better if every alumnus would lend their support! Many of you have seen the number of communications or received phone calls and text messages asking for your participation or financial support. Imagine if 200 alumni would commit to giving the Association \$100 per year. We would raise \$20,000 within each year. This will not only give the Association the ability to operate and execute substantial projects at CWA, but would save everyone the hassle it takes to achieve this goal. With that said, we want to encourage you to join us as we build a new and progressive CWA-AA, USA that will include every and ALL GENERATIONS of our alumni. Importantly, I would like to thank everyone who has given their time, services, and/or resources in this endeavor. Merry Christmas and a happy and prosperous New Year!!! Cheers to 2019!

Sincerely,

President/Chair – CWA-AA, USA Revitalization Committee

A PROPOSED WATER TOWER FOR CWA - A POLY TANK STRUCTURE

Executing this project will eliminate the ongoing costs of purchasing water at a rate of \$40 per 1000 gallon for the restrooms. More details about the project are available at <http://www.cwaaausa.org>. The project comprise of the following steps:

- * Installation of a water tower with two 1000 gallon poly tanks
- * Connect pipes from the tower to each restroom
- * Install a pump to feed water from tower to restrooms
- * Dig a 1000 ft. well to provide uninterrupted water throughout the building
